ELEVE8 SAFETY

NOVEMBER 9 - 13, 2026

An Effort by
Eleve8 Plus Ltd.
in recognition of
Elevator and Escalator Safety week

Escalators

BEFORE ENTERING ESCALATORS:

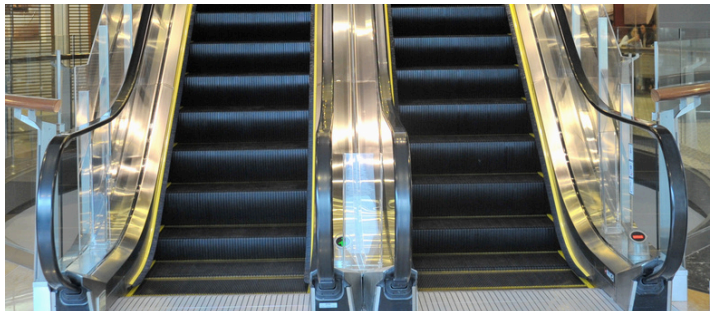

- No hand trucks - No hand carts.
- No freight
- No wheelchairs, strollers or baby buggies.
- No walkers or wheeled vehicles.
- No loose clothing - clogs, flip flops, soft soled shoes, scarves
- Be careful when carrying hanging clothes.
- No running or walking - stand still.
- Don't ride barefoot or with loose shoelaces.
- Parents supervise the conduct and activity of your children.
- Use emergency button in emergency situations only.

WHEN ENTERING ESCALATORS:

- Check the direction of the moving steps.
- Step on and off promptly.
- Take extra care if you are wearing bifocals.
- Hold children and small packages firmly in one hand.
- Grasp the handrail as you step promptly onto the moving step.
- Don't crowd the escalator. Leave enough room for emergency situations

WHEN RIDING ESCALATORS:

- Stand toward the middle of the step - away from the sides and face forward. Don't lean against the sides
- Don't allow children to sit on the sides
- Do not sit umbrellas on steps
- Keep a firm grip on the handrail. Reposition your hand slowly if the handrail moves ahead or behind the steps. Escalators may stop for safety precautions.
- Don't rest your handbag or parcels or any other objects on the handrail or steps or anywhere. Keep objects in hands at all times.
- Pay Attention. Don't window-shop while riding

WHEN EXITING ESCALATORS

- Be sensitive to those in front of you.
- Don't hesitate. Step off promptly.
- Immediately move clear of the escalator exit area - don't stop to talk or look around. Other passengers may be behind you.

THESE SAME SAFETY TIPS APPLY TO MOVING WALKS

www.eesf.org

Elevators

WHEN YOU APPROACH THE ELEVATOR:

- Know your destination. Push the Up or Down button for the direction you want to go.
- **Stand aside for exiting passengers.**
- Wait for the next car if the elevator is full
- Don't try to stop a closing door with anything including hands, feet or canes. Wait for the next elevator.
- Take the stairs if there is a fire in the building - do not use the eleavator.

WHEN YOU ENTER AND LEAVE THE ELEVATOR

- Enter and exit carefully. Watch your step.
- Hold children firmly.
- Stand clear of the doors - keep clothes and carry-ons away from the opening.
- Push and hold the Door Open button if doors need to be held open, or ask someone to push the Door Open button for you.

WHEN RIDING ON THE ELEVATOR

- Stand back from the doors.
- Hold the handrail, if available.
- Pay attention to the floor indications.
- If the doors do not open when the elevator stops, push the Door Open buttons.
- If there is an emergency - use the provided phone or intercom system.
- Be considerate. Keep elevator clean for passenger comfort.
